NEVADA HILLS  
REPORT FOR  
SEPTEMBERMANAGEMENT EXPECTS TO  
PLACE COMPANY ON A  
DIVIDEND BASIS.

The final report of the Nevada Hills Mining company at Fairview, for the month of September, has just been issued, and shows that the net profits for that month were considerably less than in August, due in large measure to the company's mill having treated a lower grade product in the latter month. The showing, however, is such as to indicate that the company will continue to make good profits from its operations, and will be enabled to begin paying dividends at a day not far distant.

Since its reduction plant has been in operation and its water system completed the Nevada Hills company has paid off about \$580,000 indebtedness, which was incurred for the purpose of equipping the mine and erecting the mill, has written off an ample sum for depreciation and has been placed upon a profit earning basis, free of debt and with liquid resources of nearly \$164,000. Of this sum nearly \$95,000 is cash on hand and in banks.

Operating costs of the Nevada Hills company are being gradually reduced, although they were slightly above normal last month, as is usual in treating a lower grade product.

The report shows: Milled, 4307 tons, \$53,402.88; loss in tailing, \$5462.72; recovery, \$47,939.66; net costs, \$30,375.82; net profit for the month, \$17,563.84.

GASOLINE EXPLOSION  
DESTROYS A STATIONWIFE OF AGENT AT BEATTY  
BURNED ABOUT FACE  
AND ARMS.

Fire destroyed the station building of the Tonopah & Tidewater Railway company yesterday morning at Beatty, says the Tribune, and the wife of the station agent, Harry Naylor, was severely burned about the face and arms. The building, which was also used as a residence by the Naylor, was a total loss and but few things were saved. Fifteen minutes after the blaze started the roof fell in.

Mrs. Naylor was engaged in cleaning a dress with gasoline. So far as known there was no fire or light nearby, but suddenly the gasoline exploded in the can and the room was afire in an instant. The smoke brought aid from the neighbors, but nothing could be done. The loss was about \$500.

EASTERN STAR LADIES

The committee in charge has taken hold with such stern authority that nobody but themselves have been let into the secret. By the orders of the committee the hall has been closed to everybody else.

COURTHOUSE BUNCH NOT  
ALL IN ON THE DANCE

A little joker was put over on the boys at the courthouse when it was announced that they had given a dance under the guise of the Devils' club, and they have been busy explaining why invitations were withheld from so many of their intimate friends. While it was true that some of the courthouse crowd were interested, many of the officials were not even remembered with an invitation.

## AMUSEMENTS

## Butler Theater.

At the Butler this evening another fine program of pictures will be shown, as follows: "Keepers of the Flock," an Edison drama; "Retribution," a Kalen drama; a Vitagraph split-reel comedy showing "Pump," featuring Courtenay Foote and Florence Turner, and "Sandy Gets Shorely's Job," and an Edison feature entitled "Dolly Varden," a story taken from Dickens' "Barnaby Rudge." A costume comedy of charm and artistic nicety. Dolly is loved by Joe Willets, but she is frivolous and ridicules him, so Joe enlists in the king's army and goes to the American revolution, where he loses an arm. Five years later he returns, at the time of the "No Popery" riots. The rioters try to force Gabriel Varden, a locksmith, Dolly's father, to make a key to the prison, but Joe rescues him. Simon, a rejected suitor, meanwhile lures Dolly to the cellar of the Bull's Head tavern, Joe and Gabriel, with a crew, rescue her, after which she admits she has always loved Joe. Tomorrow, "The Battle at Fort Laramie," a two-reel war story.—Adv.

The Bonanza hereafter will not be sent to anyone, after the expiration of current subscription unless the same is renewed by direct request.

DEATH VALLEY SCOTTY  
FIZZLES ONCE MORE

In Los Angeles Tuesday an order to dismiss was entered in the superior court case of Walter Scott, known as "Death Valley Scotty," who used the officers of the Los Angeles chamber of mines and oil for \$50,000 for alleged defalcation. Scott failed to put up the \$500 bond to guarantee the costs of the suit, which grew out of the action of the officers of the chamber in publishing the statement that Scott is alleged to have made to the county grand jury that he has no mines in Death valley or elsewhere.

If you bought nothing but advertised goods during the next twelve months, you'd reduce the cost and raise the standard of living—surprisingly!
